PROFESSIONAL SUMMARY

Information Technology undergraduate (B.Tech, 2023–2027) with hands-on experience in C, Python, Java, SQL, and Frontend web development. Built Frontend web applications using HTML, CSS and JavaScript and some Grapical User Interface Application using Python, PyQt5 Gui and also have good concepts of object-oriented programming, databases, and data structures. Passionate about software engineering and eager to contribute to scalable applications as a Software Engineer Intern.

TECHNICAL SKILLS

Programming Languages: C, Python, JavaScript, Java

Web Technologies: HTML, CSS

Frameworks & Libraries: PyQt5

Database: SQL

Operating Systems: Linux, Windows

Tools & Platforms: VS Code, Pycharm , Microsoft Word , Microsoft Excel, Microsoft Powerpoint, Git & GitHub, Vercel

PROJECTS

Weather Application | *Python, PyQt5 GUI, PyQt5.QtWidgets, PyQt5.QtCore*

- Integrated OpenWeatherMap API to fetch live temperature, humidity, wind speed, and weather condition forecasts.
- Designed a clean, interactive user interface featuring custom PyQt5 widgets, search functionality, and dynamic icon rendering.
- Implemented asynchronous HTTP requests using the requests library to ensure smooth UI responsiveness during data retrieval.
- Added error handling and data parsing for invalid city names or network connectivity issues.

Alarm Clock | *Python, PyQt5 GUI, PyQt5.QtWidgets, PyQt5.QtCore*

- Utilized QTimer for accurate interval tracking and real-time clock updates within the GUI.
- Implemented multi-alarm functionality allowing users to set, snooze, and manage custom alarm schedules.
- Integrated audio playback capabilities using Pygame to trigger custom alert sounds upon alarm completion.
- Built a user-friendly interface with digital clock displays, time selectors, and toggle controls for active alarms.

EDUCATION

Bachelor of Technology, Information Technology | 2023 – 2027

Government College of Engineering & Textile Technology, Serampore (MAKAUT) | CGPA: 7.99/ 10

Class XII (2023) – 84.4% || Class X (2021) – 91.42%

ACHIVEMENTS

Solved 100+ DSA problems on coding platforms.

Participated in coding contests.

INTERESTS

Cricket, Learning, Exploring New Technologies
